Decorate the room?

Provide snacks: donuts, pizza, party food - you know what they like!

Delegate! Assign jobs to all your leaders - computer, photos, prayer, snacks etc,

Sell it to your children and young people. Let them know this will be interactive, lively and fun! Big Prize Giveaways - find out more on the night or check out our Mission 22 website for details at www.boysbrigadeni.org!

During

enjoy!

Have the video lined up and ready to go!

Do an opening prayer - you can use our Feb Prayer which we will share on Facebook and on e news!

Leaders join in! These are interactive videos with pauses for games and competitions. This is not a press play and relax :)

The Gospel will be shared - look out for those who are clearly being impacted.

Be ready to have faith conversations, share your story and help those who want to know more.

After

Consider prayerfully how God can use this Mission to change lives in your Company.

Look at the follow up video resource before you use it.

You will get a follow up pack - faith booklets to give all your children and young people. Check these out so you know what's in them. Maybe you could add some additional stuff especially for the under 11s - bookmarks, pencils etc?

Pray with everyone and especially those who make a commitment - connect them with church and church groups. Nurture and disciple them.

Shout About It!
